

TILTING BRAISING PAN OF 200 L, DIRECT GAS HEATING

BRQ.GM-200

Ref: 1116.824.004
Icos

Ignition by means of manual piezo igniter and pilot flame.

Heating by means of high-performance tubular burners in AISI 304 stainless steel.

Ventilation grille.

Set of nozzles for various types of gas.

Safety thermostat.

Tap with safety valve with thermocouple.

Temperature regulation from +100 °C to +300 °C.

FEATURES	
Dimensions (WDH)	1600x900x850 mm
Power	G=44 kW + E=0.1 kW
Supply	Gas
Capacity	200 l
Vat dimensions	1520x570x253 mm
Vat tilting	motorized
